

Control

-My Way -Certainty -Leadership -High Standards

Goal: To know for sure
what's going to happen!

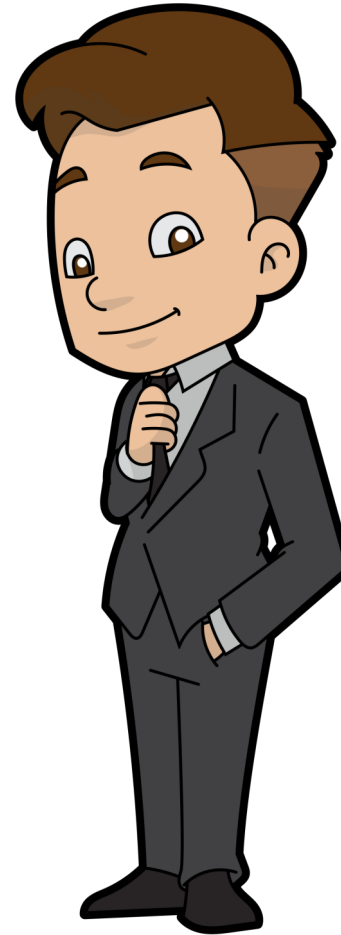

They feel Defeated:

We always hear:
"Why can't you just do
it my way?!"

"Others should do things
the way I want
them done!"

"I can't handle not
knowing what's going
to happen!"

"I'm happy when
everything goes
as planned...
my plan!"

Worry

"If this is going
to be done right,
I will need to do
it myself!"

Willing to give up:
-Team work
-Surprises in life

Just call me:

The Boss!

What the Bible says I really need:

Proverbs 3:5-6 –Trust in the Lord, submit to Him
Job 42:2: -He can do all things, His plans can't be
thwarted
