

Source Versus Surface Idols

Matt Chandler

“All of your idols are accusations against God”

Idol	Desire	Fear	What It Costs	How Others Feel	Results	Other notes/things to listen for
Comfort	Pleasure Quality of life Freedom	Stress Demands	Productivity	Hurt	Laziness	Boredom will haunt them Relationships are work and therefore not deep
Approval	To be affirmed To be loved by others	Rejection	Independence	Smothered	Cowardice	Spineless Will not voice opinions w/ motive of keeping others happy
Control	To have mastery over ___ area of life Certainty Standards	Uncertainty	Spontaneity Loneliness	Condemned Micromanaged	Worry	"If I want it done right, I must do it myself" "Why can't you just..."
Power	Success Influence Winning	Humiliation	Must bear responsibility	Used	Anger	Heart is most often exposed when they lose Often found in those struggling with gambling, addiction, and abuse
